

**Derek Lichti**

Derek Lichti received his Bachelor's degree in Survey Engineering from Ryerson University, Toronto, in 1993 and MSc and PhD degrees in Geomatics Engineering from the University of Calgary in 1996 and 1999, respectively. He is currently is Professor in the Department of Geomatics Engineering at the University of Calgary, which he joined in 2008. He served as Head of the Department for the period 2013-2018. Following the completion of his PhD in 1999, he worked as an academic at Curtin University in Perth, Australia, until 2007. He has held visiting academic positions at the École Polytechnique Fédérale de Lausanne, Switzerland, Curtin University, the University of Newcastle, Australia and Universiti Teknologi Malaysia.

His prior service to the ISPRS includes two terms (2004-2008; 2008-2012) as Chair of the ISPRS Working Group on Terrestrial Laser Scanning and organization of the ISPRS Laser Scanning 2011 Workshop held in Calgary. Between 2013 and 2020, he served as Editor-in-Chief of the ISPRS Journal of Photogrammetry and Remote Sensing. His contributions to the ISPRS have been recognized with the Schwidofsky Medal in 2020, Certificates of Recognition for Excellence in Service to the ISPRS in 2016 and 2020 and the President's Citation in 2008. He was elected by the General Assembly to the position of Congress Director in 2022.
