## IGI Africa Ambassador Award 2018

IGI - Integrated Geospatial Innovations, Kreuztal, Germany is an innovative vendor of photogrammetric hardware, software and workflows. IGI is very pleased to continue to offer its **IGI Ambassador Award** via The ISPRS Foundation (TIF) to young scientists in photogrammetry and laser scanning from regionally under-represented African countries in the geospatial sciences and technology fields. The award allows for visits to IGI's offices in Kreuztal and active participation at ISPRS Workshops, Conferences and Symposia.

The recipients will prepare comprehensive reports about all visits funded by this award for publication in IGI and ISPRS/TIF websites and newsletters. They will become an IGI ambassador for all IGI products and workflows.

Further details are at [www.isprs.org/foundation](http://www.isprs.org/foundation). Deadline for applications to TIF Operations Officer John Trinder ([j.trinder@unsw.edu.au](mailto:j.trinder@unsw.edu.au)) is 1 February 2018.
