

10th International Symposium and Exhibition on Geoinformation 2011 (ISG 2011)

The 10th ISG 2011 was organized by Universiti Teknologi Mara (UiTM), and International Society for Photogrammetry and Remote Sensing (ISPRS) on 27 - 29 September 2011 at Shah Alam Convention Centre, Selangor.

The event was jointly organized with the Royal Institution of Surveyors Malaysia (RISM), Department of Survey and Mapping Malaysia (JUPEM), Malaysia Geospatial Data Infrastructure (MyGDI), Universiti Sains Malaysia (USM), Universiti Teknologi Malaysia (UTM), University Putra Malaysia (UPM) and Kuala Lumpur Infrastructure University College (KLIUC).

The symposium was inaugurated by YB Dato Sri Douglas Uggah Embas, Minister of Natural Resources and Environment. The theme for ISG 2011 was “Seamless Innovative geospatial Solutions”. The conference involved 10 keynote speakers, 7 invited speakers, 106 paper presenters and 12 exhibitors. A Total of 243 participants (Locals and Foreigners) attended the 2-day symposium that deliberated on research findings and experiences in remote sensing, geomatic, surveying and mapping, hydrography, Geographic Information System (GIS), Global Navigation Satellite System (GNSS), Decision Support System & Location Based Services (LBS), Automated Mapping and Facilities Mapping (AM/FM).
