

According to a decision of UN OOSA, ISPRS received a sponsorship (5000 USD) for air tickets for students from developing countries.

It was agreed by the Council members during the Council meeting in Vienna on 12 February 2014 to spend the entire sum for travel expenses of participants of the *EARSeL & ISPRS Young Scientist Days 2014*. These days will be organized in Warsaw together with the *2nd Polish Student Conference on Geoinformatics and Remote Sensing*.

The eligible applicants had to be from developing countries.

6 participants were selected from proposed students from organizers. Only four students received the air tickets as two of proposed have not received the Polish visa and announced that after many urging emails shortly before the event.

Lena H gave over Certificates about the support for travel to the above mentioned event during the Opening Ceremony of the 34<sup>th</sup> EARSeL Symposium (a common planary session for Symposium and "Days").

The receivers are:

**Dieudonne Mouketou-Tarazewicz**, LAGRAC (Univesity OB of Libreville - Gabon) / AGEOS – GABON,
