

**Position Opening: Director of the Center for Space and Remote Sensing Research, National Central University, Taiwan**

National Central University, Taiwan, is seeking qualified candidates with outstanding academic performance for the position of Director of Center for Space and Remote Sensing Research. The candidates should have experience in the scientific disciplines related to research interest of the Center. The successful candidate must qualify as a full Professor or equivalent rank in Taiwan.

Applicants should submit:

- detailed information on educational and administrative experiences, publication list, and description of leadership vision
- three reference letters

Send these to the attention of Prof. Kwang-Hwa Lii, Chair of Search Committee, either by email ([Newdirector2016@csrsr.ncu.edu.tw](mailto:Newdirector2016@csrsr.ncu.edu.tw)) or by registered mail, to the following address:

Center for Space and Remote Sensing Research  
National Central University,  
No. 300, Jungda Road, Zhongli District, Taoyuan City, Taiwan 32001,  
R.O.C.

To be given full consideration, applications should be received by May 20, 2016. Phone inquiries can be made at +886-3-4257232. Further information and forms are available at the following website: <http://www.ncu.edu.tw/ch/job/>
