

EuroCOW 2016 update

Dear Colleague,

With respect to the upcoming **European Calibration and Orientation Workshop ([EuroCOW 2016](#))**, to be held in Lausanne, Switzerland, **Feb. 10-12, 2016**, we would like to announce the following news:

The keynote addresses

will be delivered by three distinguished experts:

- [Prof. Wolfgang Förstner](#), Professor of Photogrammetry University of Bonn, Germany
- [Dr. Bruno Scherzinger](#), CTO and co-founder Applanix Corporation Toronto, Canada
- [Dr. Fabio Remondino](#), ISPRS Commission V president, Bruno Kessler Foundation, Trento, Italy

Workshop on stochastic sensor calibration

We are pleased to announce a pre-conference workshop on stochastic sensor calibration. This workshop will take place on **10th February 2016** before the conference opening session.

Attendance is **free** for conference participants, but **limited**. More info is available [here](#).

The deadline for abstract submission is soon (11.11.2015).

Detailed information on conference dates can be found [here](#).

We hope you are interested in participating and we look forward to seeing you in Lausanne next February. Please do not hesitate to contact us should you have any question.

Yours sincerely,

Ismael Colomina
Scientific Commission president

Jan Skaloud
