

Dear Colleagues,

On behalf of the Asian Association on Remote Sensing(AARS) and the Local Organizing Committee of the 41st Asian Conference on Remote Sensing-ACRS2020, it is our great pleasure to welcome you to the conference which will be held **online** hosted by Deqing City, Zhejiang Province, China from 9 to 11 November, 2020. This will be the first time in the 41 years history of ACRS to organize the conference online. However, under the coronavirus situation, we think this will be the best way to organize ACRS at this moment. To promote this challenging event, the local organizing committee decided to make the Registration Fee for free. Your active participation is most welcome.
