

## Heartfelt Gratitude to **\*\*ISPRS TIF Grants\*\***

I am delighted to have had the opportunity to present my research paper at the prestigious **\*\*ISPRS Technical Commission IV Symposium 2024\*\***, held in Fremantle, Perth, Australia, from **\*\*October 22 to 25, 2024\*\***. The symposium brought together experts and researchers from around the globe to discuss advancements in photogrammetry, remote sensing, and spatial information sciences.

I extend my heartfelt gratitude to **\*\*ISPRS TIF Grants\*\*** for their generous financial support, which made my participation possible. Engaging with the global scientific community at this event has been an enriching experience, allowing me to share insights from my work and learn from the cutting-edge research presented by peers.

This platform has truly been instrumental in furthering my academic journey, and I look forward to contributing more to this incredible field!

Regards

Ishtiaq Ahmed

Research Scholar Geomatics IIT Roorkee.
