

## The ISPRS Logo

At the ISPRS Congress in Amsterdam a new logo for ISPRS was approved by the General Assembly and the logo and new ISPRS flag was introduced at the Closing ceremonies. You can see the logo in use in this issue of ISPRS Highlights.

The logo was selected from 41 submitted to a competition for the new logo. The winning entry was designed by Mike Kierstead who designed the logo whilst attending Center of Geographic Studies (COGS) at the Nova Scotia Community College in Canada.
