Kodak International Educational Literature Award

Application Deadline: 1 December 2003

This award is made to a university or educational institution outside the USA for the purpose of improving the quantity and quality of the literature in its library that deals with the mapping sciences (i.e., photogrammetry, remote sensing, GIS, and related disciplines). It is supported by the KODAK Corporation and the American Society for Photogrammetry and Remote Sensing.

The Award consists of the following:

- a. \$350 worth of books, manuals, or other literature published by ASPRS;
- b. a five-year free subscription to Photogrammetric Engineering & Remote Sensing;
- c. Proceedings of the annual conference and fall technical meeting for a five-year period;
- d. one free registration to the conference where the

award is to be presented for a member of the institution to whom the award is given.

The total value of this award is over \$1,500. The materials are to be placed in the libraries of the institutions receiving the award. Any institution that receives the award is ineligible to apply for the award again for a period of five years. Application is by special application form.

By special arrangement with ESRI, the award now also includes the complete catalogue of the ESRI Press.
